ORIGIN

25X1A

1. NKVD investigators, responsible to Deputy Minister of Foreign Affairs Vishinsky alone, recently arrived in Paris for the purpose of checking the "trend toward corruption and debauched ways" of Soviet Military Mission personnel in France.
2. These NKVD investigators brought with them complete dossiers on all Soviet personnel attached to the diplomatic corps, the Military Mission and the Repatriation Mission in France.
3. Black Market and other illegal trafficking by Soviet personnel in France is well-known to Moscow, has been severely criticized, and is the cause of these investigation proceedings, source states, adding that Soviet personnel in France are very poorly paid.
